Examiner Ewoldt:

Applicants request that the inventorship of the above-referenced application be amended to delete Huaizhong Hu, Shenglin Ma, Judith M. Thomas, and Stuart J. Knechtle as co-inventors. The inventors of the present invention are DAVID M. NEVILLE and JERRY T. THOMPSON. The correct inventors were named in the application as originally filed. The prosecution of the application resulted in the amendment or cancellation of claims so that fewer than all of the originally named inventors are the actual inventors of the claimed invention.

Group II of the restriction requirement (remaining claim 26) was provisionally elected with traverse. Claims 1-25, 28 and 29 were cancelled without prejudice during prosecution of this application. Claim 43 which depends on claim 26 was added by Amendment on March 13, 2001. Although Drs. Hu, Knechtle, Ma, and Thomas were co-inventors for the cancelled claims, they were not involved in the conception of the invention of allowed claims 26 and 43. Therefore, please amend the application to remove Drs. Hu, Knechtle, Ma, and Thomas as co-inventors.

Included with this amendment under 37 C.F.R. § 1.48(b)(2) is the fee of \$130.00, set forth in Section 1.17(i) which is to be charged to a credit card and such payment is authorized by the signed, enclosed document entitled: Credit Card Payment Form PTO-2038. The Commissioner is hereby authorized to charge any additional fees due or credit any overpayment to Deposit Account 14-0629. Should there be any questions, please contact the undersigned at 404/688-0770.

Respectfully submitted,
